TRACTOR SAFETY

Tractors are a valuable part of any farm business but can be unsafe if employees are not prepared with the right training. This course offers basic farm safety skills, proper tractor operations, connecting and using implements, and more. Get the job done more safely and efficiently!

Twelve-year-olds are eligible for a State of Wisconsin Certificate to drive tractors for their parents. Youth ages 13 and older are eligible for a Federal Certificate on their 14th birthday, allowing them to drive tractors for an employer. Youth involved in hazardous occupations other than on a farm operated by their parents must have a Certificate of Exemption from these regulations to engage in such employment.

**Eligible students must be 12 years old or older prior to the beginning of the course.*
