Farm Safety & Equipment Operation

This course is designed for students 12 to 16 years of age. The Federal and State of Wisconsin require youth who will be operating farm equipment and implements on the highway or working for someone other than a family farm to complete this course. Students who complete this course will receive State of Wisconsin certification and Federal Certification if 14 years of age or older.

The course requirements are as follows:

1. Complete virtual training modules following a weekly schedule.
2. Participate in Weekly Virtual Check-Ins to cover key components of the material
3. Complete and pass a Written Exam
4. Participate in an in-person training session
5. Pass a Driven exam
6. Pass a Pre-Trip Inspection

Students will need to schedule an orientation at an FVTC Regional Center to gain access to the course. Students will need access to a computer and internet to complete the virtual training modules. Those who don't have access can complete these modules at an FVTC Regional Center during normal business hours. Failure to complete any of the required tasks during the time frame will result in the student not passing the course.

Virtual Check-Ins for all Classes: Tuesdays - 4/15, 4/22, 4/29, 5/6, 5/13, 5:00 – 6:00 pm

Written Exam: May 19, 20, or 21 at the Regional Center between 8:00 am - 6:00 pm

For more information or to enroll, please call a regional center.
